SUPERINTENDENT'S MESSAGE

Dear Students,

If you are to be a "Star" in this generation, you should render a worthy service that will glow through the lives of those you help. You can help only if you are prepared. This is your preparation period; be careful to make the best of it.

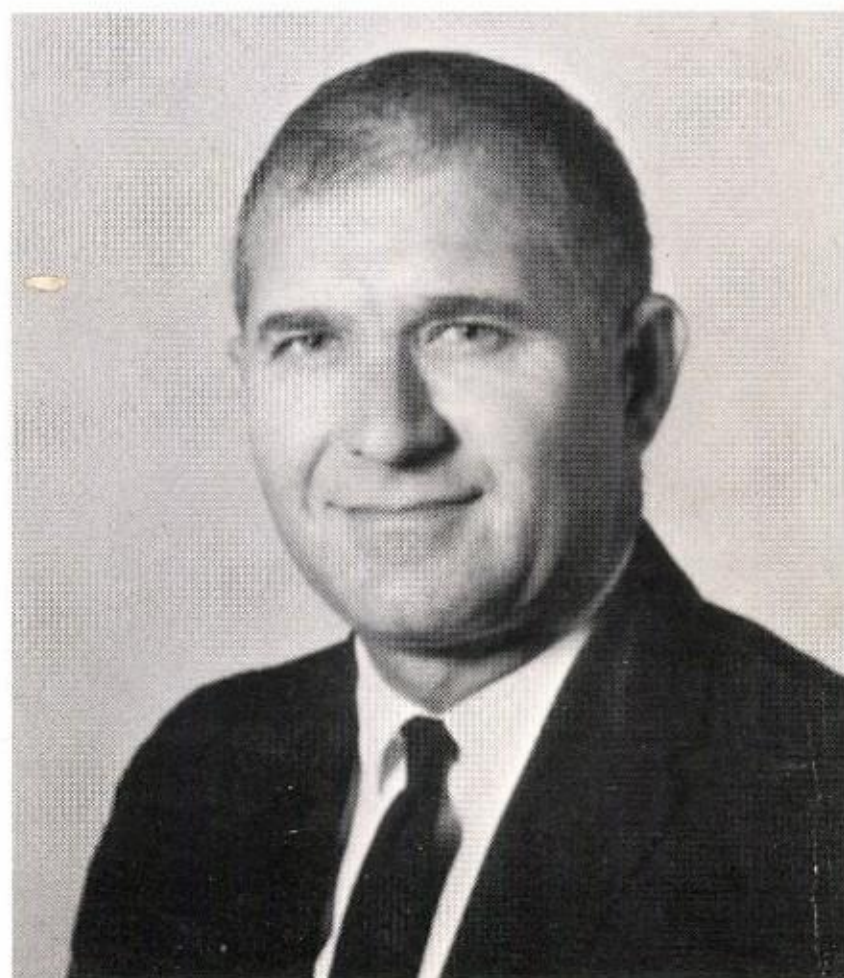

Sincerely,
J. L. Carroll

PRINCIPAL'S MESSAGE

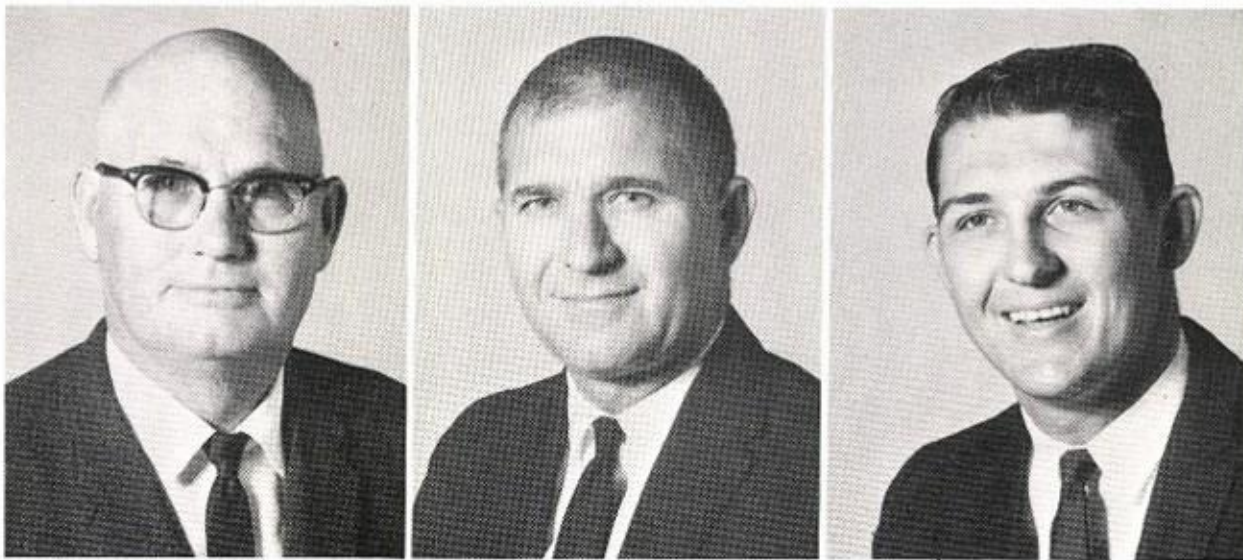

May I take this opportunity to express how much I have enjoyed working with the student body of Eola this past year. Also may I congratulate the 1967 Eagle Staff on their excellent work on their Yearbook. This year's EAGLE shows long hours of hard work, efficient planning and determination.

As you students go among your several stations in life you will be able to look back on your dear old days at E. H. S. with your EAGLE and recall many fond memories.

Sincerely,
C. E. Bridge
